Weekly Program Highlights

- **Technology Program:** Daily computer activities will feature lessons on coding, and Internet safety sessions, as well as other education-based game play.
- **Creative Arts:** Members will work both individually and in groups to create works of art using a variety of media. Projects will include: collage, drawing, watercolor and acrylic painting, arts and crafts, group mural projects and much more.
- **Education & Academic Enrichment:** Club members will participate in activities relating to the following areas:
 - Science based learning
 - Financial literacy
 - Anti-bullying and self-advocacy
 - Health and life skills classes with emphasis on healthy food choices and agricultural education

Power Hour Monday - Thursday 3:00-4:00

We offer a free educational enhancement program called **Power Hour** which includes homework help and tutoring. Staff and volunteers provide assistance to members and distribute points and incentives for homework completion which can be exchanged for fun prizes. If members finish homework early, they can participate in other educational activities to further develop their skills.
