Program Highlights

Garden Program: We will learn about healthy eating habits, what is needed for a good garden and talk about seasons and ways to create a garden at home.

Technology program: Daily computer activities will feature lessons on coding, Internet safety sessions, as well as other education-based game play. Our professional staff ensure Club Members are receiving fun and educational screen time and provide excellent supervision for Club Members while on the computers.

Creative Arts: Members will work both individually and in groups to create works of art using a variety of mediums. Projects will include: collage, drawings, watercolor and acrylic painting, arts and crafts, group mural projects and much more.

Athletics: Club Members will participate in daily athletic activities in our movement room and outdoor play area. Members will participate in a fun filled summer of recreation games, skills building activities as well as opportunities to play on team sports.

Aliberti Clubhouse

Friends galore, activities abound, weekly Thursday field trips scheduled, and Friday Special activities keep the kids busy and laughing!

Age-appropriate groups rotate through all the offerings at the Club, ensuring each receives a fulfilling, well-rounded day, with sports, arts, chill-out time, snacks, games, and friendships.

Like our afterschool program, our summer day camp is drop-in. Current members can come for any of the days and spend as much or as little time at the Club as they/their parents want and are not required to register for specific days in advance. However, early registration and pre-payment does speed up the front desk check-in time and some of the popular special programs have limited spaces available.

Registration Opens: May 15th, 2018

Call 831-535-7017 for more information

and to register for our cooking class

as well as field trips!
